Welcome Mr. Peters!

As you know, I will be away from school, possibly until the winter break, and Mr. Scott Peters will be serving as your Principal until I return. Scott grew up in Abbotsford and has taught in 4 elementary schools and 3 middle schools. He is currently the Vice Principal of Eugene Reimer Middle and looks forward to working together with the Mathxwí community! Welcome Mr. Peters!

Affordability Funds

Please don't hesitate to reach out. Our school district received a one-time funding from the Ministry of Education and Child Care to help families with the rising costs of food, clothing and school related fees. Each school received funds to support their families.

If you feel like your family could use some support for these rising costs, please email either Scott Peters or myself at: scott.peters@abbyschools.ca or jennifer.bennato@abbyschools.ca

Only we will receive these emails, and to respect your privacy, your requests will remain confidential. As circumstances change for all of us throughout the year, I will continue to reach out.

Remembrance Day Assembly

Please join us for our Remembrance Day Ceremony at 10:30am in the gym. We have a special ceremony planned to honour those who have served and sacrificed for our freedoms as well as our commitment to a more peaceful and kind world.

Orange Crosswalk

We may need to wait for Spring until the ground is dry for an extended period of time. This project is a gift from our PAC and is a small step towards our school's commitment to truth and reconciliation. After meaningful consultation with our PAC, Staff, District and the Indigenous Education Committee, we would like to share that an orange feathered crosswalk will be installed at Mathxwi to welcome students and families into our school.
